T. R.'S NEW PUNCH

Will Display It Tonight in New York City Speech.

Roosevelt Addresses Crowd and 3,000 Overflow in Cleveland.

Aboard Roosevelt Train, Buffalo, N. Y., Nov. 2.—Colonel Roosevelt today promised "an entirely new speech with a kick in it" when he appears at Cooper Union in New York tonight. His theme will be Americanism with a heretofore untouched angle. As usual, he will preface his prepared address with more verbal riffs at President Wilson's foreign and Mexican policies, and at his "fine words." He had prepared a speech on Americanism and industrialism for Cleveland last night where he spoke to 4,000 at the Armory and to 5,000 more who gathered in the rotunda of the city hall as an overflow, but the speech of President Wilson at Buffalo Wednesday stung him into an introductory extemporaneous talk that took up most of his time at the former place. He used most of his industrial topic at the city hall evening.

BAGHDIGIAN HERE

Well Known Armenian Lecturing for "Kansas Farmer" Over State.

"The Most Tragic Story in Human History" is the subject of a lecture to be delivered in various Kansas towns by Bagdasar K. Baghdigian, an Armenian, under the auspices of the Rural Social Life department of the Kansas Farmer—a new department in charge of Mrs. Orosola Hall. George C. Wheeler, managing editor, will present the lecture, "The Animal and the Man."

Miss Hall has succeeded in stirring up unusual interest in the work of her department. She herself pays particular attention to the planning of pageants and community exhibits of various sorts. At Lewistown recently she assisted in the production of a local talent play depicting pioneer days in Kansas. The action was of the swift, catchy kind and was built up around actual characters of the old days.

TO REMOVE DANDRUFF

Get a 25-cent bottle of Dandruff and rub well into the scalp with the finger tips. By morning most, if not all, of this awful scurf will have disappeared. Two or three applications will destroy every bit of dandruff; stop scalp itching and falling hair.—Advertisement.

AT ONCE! STOPS INDIGESTION, GAS, STOMACH MISERY

"Pape's Diapepsin" makes sick, sour, upset stomachs feel fine.

Neutralizes acids in stomach, starts digestion and gives relief.

If you had some Diapepsin handy and would take a little now your stomach distress, indigestion, would vanish in five minutes and you would feel fine.

This harmless preparation will digest anything you eat and overcome a sour, out-of-order stomach before you realize it.

If your meals don't tempt you, or what little you do eat seems to fill you or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapepsin and take a little just as soon as you can. There will be no sour risings, no belching of indigestible food mixed with acid, no stomach gas or heartburn, no fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no undigested food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin regulates out-of-order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there.

Settle, in five or ten minutes, from all stomach misery is at any drugstore waiting for you.

These large 50-cent cases contain more than sufficient to thoroughly overcome any case of dyspepsia, indigestion or any other stomach disturbance.—Advertisement.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more motor car parties of students, many of them from Professor Cochrane's classes. Boy scouts continued their search in the city while several groups of Indians from the Haskell institute went over the country south of Lawrence for several miles without avail.

If you are suffering—as I did—with a skin-trouble that itches and burns like mad, and is so unsightly that you dread to be seen; if you are trying—as I did—treatment after treatment without real help, then you can imagine how I felt when Resinol gave me instant relief and soon healed the eruption completely. My doctor prescribed it."

Real artists have guided the shears and needles that have been the needful means of producing the masterful garments we show, and which are every day being chosen from us so enthusiastically.

The woman or miss needing a suit, coat or dress is unjust to her own interest, should she purchase without a look and a try-on at Crosby's.

The selections are varied and moderate enough in price to suit every woman's expectation.

A Woman Looks Well If Her Hat Is Becoming

Our milliners always endeavor to insist on becomingness as well as style in a hat. Years of experience have taught them that nothing will mar one's appearance so much as a hat that is not becoming.

And by this we mean that a hat should be becoming from all angles—from the back and sides as well as the front.

We never have had so many cleverly styled hats in the store before—never so much individuality displayed in the designing and never more moderate prices.

News of Importance for Furniture Buyers!

It isn't price alone that counts in furniture, though that is important. It is material, workmanship, finish and service as well. When all of these are combined as we combine them here and yet hold the price within moderate limits, it is not strange that we make new and lasting friends for the Furniture Department every day.

Here are some Double 2x Furniture Specials for Saturday's selling only:
