U i n t a h Indian

Preamble.
Vol. 32, p. 263.

And, whereas, the time for the opening of said unallotted lands was extended to October 1, 1904, by the Act of Congress approved March 3, 1903 (32 Stat., 998), and was extended to March 10, 1905, by the Act of Congress approved April 21, 1904 (33 Stat., 207), and was again extended to not later than September 1, 1905, by the Act of Congress, approved March 3, 1905 (33 Stat., 1069), which last named act provided, among other things:

Vol. 32, p. 998.

Vol. 33, p. 207.

Vol. 33, p. 1069.

That the said unallotted lands, excepting such tracts as may have been set aside as national forest reserve, and such mineral lands as were disposed of by the Act of Congress of May twenty-seventh, nineteen hundred and two, shall be disposed of under the general provisions of the homestead and townsite laws of the United States, and shall be opened to settlement and entry by proclamation of the President, which proclamation shall prescribe the manner in which these lands may be settled upon, occupied, and entered by persons entitled to make entry thereof; and no person shall be permitted to settle upon, occupy, or enter any of said lands, except as prescribed in said proclamation, until after the expiration of sixty days from the time when the same are thereby opened to settlement and entry: Provided, That the rights of honorably discharged Union soldiers and sailors of the late civil and Spanish war or Philippine insurrection,

as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes, as amended by the Act of March first, nineteen hundred and one, shall not be abridged.

Unallotted lands on reservation opened to entry, etc., Aug. 28, 1905.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power in me vested by said Acts of Congress, do hereby declare and make known that all the unallotted lands in said reservation, excepting such as have at that time been reserved for military, forestry and other purposes, and such mineral lands as may have been disposed of under existing laws, will on and after the 28th day of August, 1905, in the manner hereinafter prescribed, and not otherwise, be opened to entry, settlement and disposition under the general provisions of the homestead and townsite laws of the United States; and it is further directed and prescribed that:

Places of registration.

Commencing at 9 o'clock a. m. Tuesday, August 1, 1905, and ending at 6 o'clock p. m. Saturday, August 12, 1905, a registration will be had at Vernal, Price and Provo, State of Utah, and at Grand Junction, State of Colorado, for the purpose of ascertaining what persons desire to enter, settle upon, and acquire title to any of said lands under the homestead law, and of ascertaining their qualifications so to do. To obtain registration each applicant will be required to show himself duly qualified, by written application to be made only on a blank form provided by the Commissioner of the General Land Office, to make homestead entry of these lands under existing laws, and to give the registering officer such appropriate matters of description and identity as will protect the applicant and the Government against any attempted impersonation. Registration cannot be effected through the use of the mails or the employment of an agent, excepting that honorably discharged soldiers and sailors entitled to the benefits of section 2304 of the Revised Statutes of the United States, as amended by the act of Congress, approved March 1, 1901 (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney on a blank form provided by the Commissioner of the General Land Office, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name.

R. S. sec. 2304, p. 422.

Vol. 31, p. 847.

Certificate of registration.

Each applicant who shows himself duly qualified will be registered and given a nontransferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he may make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

Restrictions.

Drawings.

The order in which, during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Provo, Utah, commencing at 9 o'clock a. m., Thursday, August 17, 1905, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will

prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed, all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of the drawings, stating the name of each applicant and number assigned to him by the drawing, will be posted each day at the place of drawing, and each applicant will be notified of his number, and of the day upon which he must make his entry, by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Commencing on Monday, August 28, 1905, at 9 o'clock a. m., the applications of those drawing numbers 1 to 50, inclusive, must be presented at the land office in the town of Vernal, Utah, in the land district in which said lands are situated, and will be considered in their numerical order during the first day, and the applications of those drawing numbers 51 to 100, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

Persons who make homestead entry for any of these lands will be required to pay therefor at the rate of one dollar and twenty-five cents per acre when they make final proof, but no payment, other than the usual fees and commissions will be required at the time the entry is made.

Persons who apply to make entry of these lands prior to October 27, 1905, will not be required to file the usual nonmineral affidavit

with their applications to enter, but such affidavit must be filed before final proof is accepted under their entries; but all persons who make entry after that date will be required to file that affidavit with their applications to enter.

Entries.

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appear that an applicant is disqualified from making homestead entry of these lands, his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering or settling upon any of said lands during the first sixty days following said opening.

Townsites.
Post, pp. 3139,
3143.

Any person or persons desiring to found, or to suggest establishing, a townsite upon any of the said lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for townsite purposes they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

Entry of undis-
posed-of lands.

All persons are especially admonished that under the said act of Congress approved March 3, 1905, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, as hereinbefore prescribed, any of said lands remaining undisposed of may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law.

Regulations.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this 14th July, in the year of our Lord 1905, and of the Independence of the United States
[SEAL.] the one hundred and thirtieth.

THEODORE ROOSEVELT

By the President:

ALVEY A. ADEE

Acting Secretary of State.
